The Euroclad Group Corporate Challenge

The Cardiff Metropolitan University Cardiff 10K welcomes you and your company to join us for our 2019 Corporate Challenge, sponsored by Euroclad Group.

The Euroclad Group Corporate Challenge is a fantastic opportunity for companies across Wales to get involved and encourage a healthy lifestyle, a sense of team spirit and a little competitive spirit. Your company would also gain exposure to over 30,000 people on race day and thousands more in the lead-up to the event.

With our 2019 race expecting thousands of competitors to take to the start line, and around 30,000 spectators throughout Cardiff's City Centre, your company could be part of the biggest race in Cardiff 10K history.

Which company will come out on top in 2019?

Your Corporate Team

To enter a team into the Euroclad Group Corporate Challenge, you'll need four to six runners. If you have more than six, you are more than welcome to enter multiple teams! One runner from each team will need to be nominated as Team Captain and be responsible for their team.

What you get in your Corporate Team Package:

- Entry into the race with finisher's t-shirt and medal at the finish line.
- Your company logo included in pre-race and post-race publications and Cardiff 10K webpage.
- Professional Team Photo taken on race day, then framed and delivered to you after the event.
- VIP hospitality area on race day, with post-race buffet.
- Separate baggage tent on race day.
- Invitation to an exclusive Award Ceremony.
- The chance to WIN the Euroclad Group Corporate Challenge Trophy and hold the bragging rights all year!

Scoring the Corporate Challenge

The fastest four from each team will be scored on their chip time. That team's average time is then added to the leaderboard to give us our top spot team and our runners up!

Our Corporate Challenge Sponsors

The 2019 Cardiff Metropolitan University Cardiff 10k Corporate Challenge is sponsored by Euroclad Group.

Euroclad Group is a leading international supplier of architectural metal building solutions. From their head office in Cardiff they supply the construction industry with highly engineered building envelope products including roof and wall cladding systems, insulated composite panels and rainscreen façades.

"We have entered a corporate team for many years, always enjoying the healthy competition provided by this excellent team building activity. We will be entering another team for 2019 and welcome the challenge from other companies to become the fastest team in Wales. Working alongside Kidney Wales, we hope to bring you the best Cardiff 10K Corporate Challenge yet!"

James Francis - Marketing Manager

The Cardiff Metropolitan University Cardiff 10K

The iconic road race through Wales' Capital City is now in its 34th year. With each event hitting maximum capacity in recent years, the Cardiff 10K has grown and grown. Welcoming people of all ages and ability and with our 2K Family Fun Run taking place just before the main race, it truly is an event for all the family.

With an ever-increasing social media presence and more and more people subscribing to our mailing list the event is growing in popularity.

From elite athletes to your everyday club and fun runner, the Cardiff Metropolitan University Cardiff 10K has become a firm favourite in Wales' Events Calendar.

Our Corporate Teams

The Cardiff Metropolitan University Cardiff 10K has seen many Corporate Teams make the race an annual tradition. Year on year, we've welcomed some of the following companies to the start line:

AIRBUS

BURLEYFOX
INDEPENDENT FINANCIAL ADVICE

ANGEL HOTEL
ABERGAVENNY

WILLMOTT DIXON
SINCE 1852

maxx
Premium OOH Media

Leigho's Legacy

Fundraising for Kidney Wales

Race organisers, Kidney Wales, invite you to become part of Team KW by fundraising for their charity at this year's Cardiff Metropolitan University Cardiff 10K.

Now more than 50 years old, Kidney Wales have led the way in improving the standard of care for renal patients and changing the culture of organ donation in Wales.

Your support will help continue their work in supporting families and changing the lives of kidney patients across Wales.

Key Achievements and Ambitions:

- Introduced Organ Donor Applications into DVLA Driver's Licence Application forms.
- Kidney Wales was the key driver in the change of law on organ donation in Wales.
- Refurbished the Children's Kidney Centre at the University Hospital of Wales.

Looking ahead to the next 50 years of care for renal patients, Kidney Wales plan to open a Wellness Centre in Wales, which will act as a place of respite for kidney patients and their families who may be struggling with the day-to-day hardships of life with kidney disease.

You and your Corporate Team can support Kidney Wales and the work they do by fundraising for them at this year's Cardiff Metropolitan University Cardiff 10K.

Select fundraising for Kidney Wales when registering your team and Kidney Wales will send your team a Fundraising Pack, including sponsorship forms and fundraiser's running vests/T-shirts.

The first 500 to register as fundraisers for Kidney Wales will receive a limited edition long-sleeved training top!

Get Involved!

If you have a group of four to six runners (or perhaps more!) in your company who want to compete for this year's top spot or who just want to enjoy a fun event in Cardiff's City Centre, then register a Corporate Team for the 2019 Cardiff Metropolitan University Cardiff 10K!

You can register your team today at cardiff10k.cymru or if you have any questions or queries about the Corporate Team package, you can contact the Cardiff 10K team by calling them on

029 2034 3940 or email cardiff10k@kidneywales.cymru.

Be sure to follow the Cardiff Metropolitan University Cardiff 10K on social media for regular race updates and exclusive competitions!
